

Adopt-a-Village International

Providing a hand up, not a hand out, to break the cycle of poverty.

Want to get involved with AaVI? Your school, youth group, or circle of friends can help provide essential materials for people in third world countries. Hygiene kits and vitamins are greatly needed. Please return the kits to Adopt-a-Village International for distribution in third world countries.

Hygiene kits include:

Toothpaste	Toothbrush
Antibacterial soap	Antibacterial wipes
Hand sanitizer	Floss
Travel size shampoo	Comb

Please place items in a 2-gallon resealable bag and return to Adopt-a-Village International

We also accept any type of children's chewable vitamins.

Your help is greatly appreciated by Adopt-a-Village International and the many people you are helping
